Improve Your Academic and Professional Life and Start with IELTS for a Better Future

IELTS - the International English Language Testing System - is the world's most popular English language test. It is developed by some of the world's leading experts in language assessment and evaluates all of your English skills - reading, writing, listening and speaking.

The test reflects how you'll use English to study, work and live in an English speaking environment.

Study, work and live abroad

IELTS is accepted by more than 10,000 organisations in over 140 countries. Those organisations include governments, academic institutions and employers with 3,000 in the USA alone.

Get where you want to go

In most countries where English is the main language, you'll need evidence of English language skills to apply for jobs and university courses.

IELTS PREPARATION COURSE

Our IELTS Preparation Course is specially designed for students who have at least an Upper Intermediate level of English and wish to optimise their test potential. The course will familiarise you with the IELTS test with a particular focus on improving your writing skills.

Students will be able to identify their own strengths and weaknesses, further develop skills and strategies for each section of the test, and will be provided with the knowledge and resources necessary for effective self-study and practice.

700

About 700 students are enrolled in our IELTS preparation courses every year

80%

Over 80% of our students who set for the IELTS test score (Band 7) or above
